**D&D Character Builder**
**Sprint 2 Retrospective**

**What to stop doing:**
- Don't really have anything we need to stop doing.

**What should we start doing:**
- Prioritizing features.
- Everyone needs to come to the project jams.
- Everyone needs to come to scrum meetings.
- More slack communication.
- Integrating all our stuff together.

**What should we keep doing:**
- Working.
- Keep everyone updated.

**What was completed and what was not completed**
**Completed**
- Databasing
- Experienced Questionnaire
- All pages except for spells
- character saving/loading

**Not Completed**
- Inexperienced Questionnaire
- Spell Page

**Work Completion Rate**
- 80%
